English: Intermediate B1

About Me

I am an ambitious and motivated student who wants to develop in the field of software engineering. I have a broad knowledge of programming, including skills in C++, C, and Golang programming languages. In addition, I have experience with web application development. I am also a responsible and communicative person, willing to work in a team and focused on achieving a common goal.

Education

ITMO UniUniversity | Information Technologies and Programming Faculty

📅 Sep 2022 - Present

Strengths

·C   ·Git

·C++   ·HTML

·Golang   ·CSS

·LaTeX
